

NEMPAC 2017 Council Challenge

“Give-a-Shift” to the Future of Emergency Medicine

What Has NEMPAC Done for You Lately?

NEMPAC is a critical tool in advocating for ACEP’s legislative agenda including:

- Emergency Medicines Principles for Health Care Reform
- EMTALA medical liability reform
- Codifying EMS standing orders
- Offering real solutions to the opioid and mental health crisis
- Fighting for fair reimbursement in Medicare and Medicaid
- Increasing funding for GME and EM Research

NEMPAC is bi-partisan! We are the voice of emergency physicians’ in the political process.

Why Should ACEP Councillors “Give-a-Shift”

All ACEP Board members and NEMPAC Board members are Give-a-Shift donors. The support of ACEP Councillors sends a strong message to all ACEP members about the need to remain in the top tier of all medical PACs and increase our “political clout” in Washington, D.C.

NEMPAC “Give-a-Shift” Options
